

Highley Community Primary - Pupil Premium Grant 2017/18

Pupil premium funding is additional to our main school funding. The government believes that it is the best way to address underlying inequalities between children eligible for free school meals (FSM) and their peers, thereby ensuring that funding reaches the pupils who need it most.

The pupil premium was introduced in 2011 and is allocated to schools to work with pupils who have been registered for free school meals at any point in the last six years (known as 'Ever 6 FSM').

The main barriers to educational achievement faced by eligible pupils at Highley Primary School are currently:

- Poor attendance in school due to a multitude of factors
- Unstable home life.
- Low self-esteem and high anxiety about attending school.
- Learning difficulties and problems associated with ADHD and ASD.
- Lack of access to before and after school clubs, extra-curricular activities or music tuition due to low income families.

Please see the documents below, which describe the things we have done, or plan to do, with the allocated Pupil Premium money in the last two academic years to try to overcome the barriers to learning

Allocations for 2017-18	Amount £	Number of Pupils	Total £
FSM Pupils (Ever 6) Primary	1,320	67	88,440
Service Children (ever 6)	300	1	300
Total			88,740

We currently have 67 Ever 6 pupils.
