

BREAKFAST CLUB

From 7.30am

As you will have heard, breakfast is the most important meal of the day. We believe that every child should come into school having had a tasty, healthy breakfast each morning. As part of our desire to fulfil this aim, we offer a fantastic breakfast club each morning from 7.30am.

If you have never taken advantage of this service, here are just some of the reasons we think you should reconsider:

- All of the breakfast items are freshly prepared each morning.
- Breakfasts are cooked to order, meaning children can choose a different item each day.
- For just £2.50 per session, you receive up to an hour's childcare, with a meal and lots of fun activities for your child.
- Friendships are made & strengthened within the club.
- Pre-booking & payment is made easy using our schoolmoney.co.uk facility.
