13TH FEBRUARY 2026 MESSAGE FROM MR PLIM

Dear Parents and Carers,

"And they're off... sort of! A cautious start in this final event for most, but the top three competitors are winding in towards the finish line like seasoned pros... but oh no! A dramatic tangle of string! That's the third time the officials have had to intervene this afternoon."

This isn't commentary from an event at the Winter Olympics, but Reception's modelled race cars final held yesterday afternoon! The athletes were tiny, the tension was enormous, and the vehicles were-yes-beautifully engineered cereal box cars held together with glue, masking tape and sheer optimism. It was a magnificent display of sportsmanship with everybody cheering on each other. What a race folks - drama, determination and a level of engineering innovation not seen since someone attached googly eyes to a Weetabix box and called it aerodynamics. Reception sport at its absolute finest with a podium of three finalists at the end - a big thank you to staff for creating this opportunity for the children.

Our Wellbeing afternoon on Wednesday was hugely successful with children moving to different activities all around the school building and outside. Myself and Mrs Jones ran the 'puzzles' activity and what immediately struck me was how well the children supported each other; Year 6 children helping our youngest, it was a really lovely opportunity to do something different. Attached to the bulletin are some links from the Place2Be website around Mental Health Week to follow using the QR codes. Here are a handful of pictures from the afternoon!

Some other fantastic pictures can be found on our Facebook page, with Cleo and Miners enjoying a visit from PC Jade who came along and talked to the children about being in the police force and even showed the children her Police car!

I've tried not to mention the weather, but I really do wish it stops for the half term break! Have a lovely week and we look forward to seeing the children on Monday 23rd February,
Mr Plim

TTRS ROCK HEROES

Stars of the Week

Clee

Elsie-Rose is the star in Clee! You have made a big improvement in writing and you are now using your phonics skills to build words and sentences. Well done!

Miners

Gracey is the Star in Miners! She has blown us away with her artwork and writing in Drawing Club this week. She's a delightful member of our class with a wonderful sense of humour. Keep being you, Gracey!

Arley

Arley's star this week is Arete! She has produced some brilliant writing lately, coming up with unique ideas for her story based on "the leopards drum", and using her amazing vocabulary to write some fabulous sentences in her recount of our mini giraffe safari! Excellent work, Arete, with neat letters and great spelling! Well done!

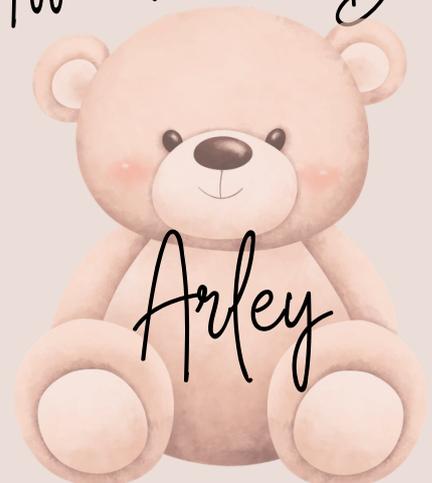

Netherton

Jimmy is Netherton's star...and what a star he is! He is a fantastic role model, good friend to everyone and an all-round good egg. You are polite, respectful, resilient and hardworking. We couldn't ask for better because you always give 100% to everything you do. Well done Jimmy, keep being your amazing self!

Station

Station's star of the week is Imogen. Imogen is such a resilient member of our class. She is trying really hard to improve her spellings and sentence writing and we are seeing the results in her work. Imogen is also a lovely fun friend to her classmates and is a great role model to them. Well done Imogen!

KS1 Attendance Bear

Arley

Stars of the Week

Hazelwells

Jacob is the star in Hazelwells for pushing himself and not giving up! Jacob is a wonderful example of what can happen if you keep going! Well done Jacob we are so proud of you!

Ironbridge

The Star in Ironbridge this week is Daisy. This is for working hard, always trying her best and showing great resilience. Well done, Daisy!

Severn

Star of the week in Severn is Charlie for being a Right Hand Man and Maths Specialist!
Charlie you have totally smashed the first half of Year 5 - your joy of learning is infectious and we love the enthusiasm that you bring into the classroom every day! Keep being you Charlie - the rest of Year 5 is yours for the taking!

Wrekin

Wrekin star of the week is Leon. Leon is a pretty 'laid-back' member of Wrekin. We know Leon to be polite and quietly friendly to others most of the time. This week Leon has brought a little extra to Wrekin, with his humour and mature observations - we feel like we have seen another side to him this week! It just goes to show what a mature, young man he is becoming. We are always happy to share in his humour as it really shows- off the uniqueness of his character!

Hitchens

Ella-Rose for being a wonderful member of our Year 5 class. Ella is a quiet member of the class who consistently shows focus and determination in everything she does. She works incredibly hard and always tries her very best, even when tasks are challenging.
Ella is also a kind and thoughtful friend, showing care and respect to everyone around her. We are so proud of your positive attitude and dedication!
Keep shining, Ella - you are a true star!
