6TH MARCH 2026 MESSAGE FROM MR PLIM

Dear Parents and Carers,

This week has been vibrant and full of enriching experiences for our children. We kicked off on Tuesday with some of our Year 5 and 6s taking part in the South East Shropshire football finals; they won one and lost their second group game, then narrowly losing in the quarter final against Claverley. We talked a lot in recent assemblies about enjoying the 'taking part' and these events aren't just about winning; our group showed this, displaying collaboration and sportsmanship in abundance!

Next up, our Year 4s left for the Pioneer Centre in Cleobury Mortimer on Wednesday and they couldn't have been more blessed with the weather! I have given up social media for Lent, but I have had to have a sneaky peek at the AMAZING photos on the school Facebook page - the grins say everything. Last week, I wrote about the importance of experiences outside the classroom - residential are massive for children's personal growth. We can't wait to hear more about their experiences on return. Thank you to the staff who have given up their time away from families to ensure the safety and wellbeing of your children, and to give them such invaluable experiences. A big thanks to Mrs Sherry, Mrs Gould and Miss Griffiths, and also to Mr Williams and Mrs Kelly who have joined the group overnight (so unfortunately didn't even get to abseil!).

World Book Day yesterday is consistently one of the best days of the year at Highley where we celebrate the joy of reading - every year staff are bowled over with the effort that you put into inventive costumes to really promote a love of literature. Reading unlocks so much, both academic success and improved wellbeing. Every single child in school once again took home the book of their choice from the official World Book Day selection - I still do not know any other school that organises this in advance for the children, so thank you once again to Mrs Kelly for organising!

Next week, we have Parent Consultations on Tuesday and Wednesday after school, the PTA's Mothers' Day Sale is taking place as well, together with the Repair Café in our school hall next Saturday.

Have a lovely weekend,

Mr Plim

Stars of the Week

Clee

Robyn is the star in Clee! Robyn is showing resilience in assembly and in the lunch hall. Keep it up! We have also been impressed with how hard you work in phonics and writing, even though you find it tricky. Well done!

Miners

Bernie is Miner's Star this week! He has settled in beautifully and is a lovely member of our class. It's been wonderful to see him starting to grow in confidence with both staff and his peers.
Keep it up, Bernie!

Arley

Arley's star is Martha! She has wowed us again this week with her amazing reading and writing. She is becoming such a confident reader, with excellent fluency and expression. Her writing is outstanding! Always so neat and she remembers every spelling pattern and rule. Marvellous Martha!

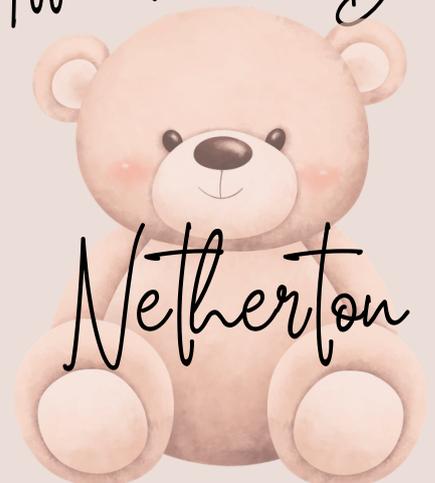

Netherton

Netherton's star this week is Oscar. Oscar has shown real maturity these past few weeks. He's focusing so well on his work, putting care and enthusiasm into every subject, and building strong, kind relationships with his classmates. We are so proud to witness this in you Oscar, please do keep it up!

Station

Station's star of the week is Rossco. Rossco has been impressing us recently with his writing. We have noticed you putting much more effort into your writing. Your sentences contain more detail and description now. You are working hard on your handwriting and your spellings are brilliant. You are also an amazing artist! You are a great friend to everyone, and we love having you in our class.

Stars of the Week

Hazelwells

Grace has shown remarkable confidence and resilience over the past term. She now joins every lesson with focus and enthusiasm, and we are incredibly proud of the courage she shows and the positive steps she continues to take.

Severn

The star in Severn is Miya for showing such a caring and considerate manner to others in our class. Miya, we have all noticed your patience this week and how gentle you are with other children who may be finding something difficult. What a wonderful young lady you are. Thank you from all of Severn Class!

Wrekin

Star of the week in Wrekin is Stan. Stan has come a long way from when we couldn't even get him into class! He is becoming a mature member of Year 6 - in time for secondary school! Now more willing to participate in lessons, Stan will 'have a go' - which is great to see! He has also proven himself to be such a help first thing in the morning, setting up the class for morning activity! Stan - 'you are the man!' Well done!

Hitchens

Libby radiates our school values of respect, resilience and relationships. She is an incredibly considerate individual and strives to have positive relationships with everyone in our school community. Libby is more than happy to work together with anyone in the class and can be relied upon to try her best to support them in their learning. Libby always contributes in all lessons and even if she finds something challenging, she will persevere until she is successful. Libby is a great role model to her peers!
